7

San Antonio, TX

198

2. Please only Mention the cities we have the cars for. Adding cities we dont have any listing in will increase bounce rate of users.
3. **Too Much Repetitive Interlinks:** Currently, We have too many interlinks in the content. Need to reduce it as its too much keyword stuffing and will hurt rankings.

Screenshot:

Find car dealerships you can trust before you buy

Shopping for a vehicle should start with research, not pressure. [AutoSalesReviews](#) helps you [find car dealerships](#) across the United States, compare [auto dealer reviews](#), and browse inventory from stores that earn their reputation through real customer experiences, not paid placement.

Search inventory and reviews in one place

Whether you want to [buy used cars nationwide](#) or explore new models at a local showroom, our platform connects you with [trusted car dealers](#) nationwide. Filter by make, model, price, and body style, then read ratings sourced from verified review platforms before you schedule a test drive.

Shop by city and compare local dealers

Local markets differ in pricing, inventory, and service quality. Browse our [city dealer directory](#) to find dealerships in major metros like New York, Los Angeles, Chicago, and Houston. Each city page

4. Some of the listings dont have images in them:

The screenshot displays two car listings side-by-side. Each listing includes a 'USED' badge, a placeholder image of a car, and a '0' icon. The first listing is for a 2022 Honda Accord EX with a price of \$48,240, 27,095 miles, and features like Backup camera, Bluetooth, Apple CarPlay / Android Auto, and Lane keep assist. It is from Seaside Motor Co with a 4.4 star rating. The second listing is for a 2024 Honda Accord EX with a price of \$46,740, 26,725 miles, and the same features. It is from San Antonio Auto Sales with a 4.6 star rating. Both listings have 'View Vehicle', 'View Dealer', 'Save', and 'Compare' buttons.
