

BERGEN
CAR COMPANY, INC.

Vehicle Category Landing Pages

UPDATED LIVE REAL INVENTORY

Real vehicle listings, SEO content moved to the bottom with
Read more and Read less, and a new FAQ section on every page.

Note for Development Team

This document shows the page structure for 14 vehicle category landing pages (Used SUVs, Used Sedans, etc.) to be built on bergencar.com.

Page structure to follow for each category page:

- 1** Hero banner with the page title and a short intro paragraph
- 2** Live vehicle inventory grid for that specific category, filtered to show only matching vehicles
- 3** SEO content block below the inventory grid, showing a portion of the text with a "Read more" button that expands to reveal the rest, and "Read less" to collapse it back
- 4** FAQ section at the end of the page
- 5** On mobile, the hero banner should be sized so vehicle listings are visible without excessive scrolling when the page loads

Inventory source

Pull vehicle listings from your own existing inventory feed/system, not Auto.dev. Filter by the matching vehicle type for each category page (body style, fuel type, etc.) using whatever fields your system already tracks.

See the following screenshots for the page structure and layout to replicate on each category page.

Contents

14 updated category pages, live now with real inventory.

Buying suvs at Bergen Car Company

Looking for reliable used SUVs in Lodi, NJ? Bergen Car Company offers a selection of pre-owned SUVs for families, commuters, professionals, and drivers who need additional passenger and cargo space. Explore compact SUVs for daily travel, midsize models for greater versatility, and full-size SUVs for larger families and demanding journeys.

[Read more](#)

What should I look for when buying a used suv?

Compare mileage, service history, safety features, and total ownership cost — not just the monthly payment. Every car here gets a 150-point inspection and a vehicle history report. Ask for either on any suvs you're considering.

Do you have suvs in stock right now?

Are the online prices the real prices?

Can I finance a purchase at Bergen Car Company?

Can I trade in my current car?

Can I test-drive before I buy?

Tell us what you're looking for

We'll send a quick note when a car that fits comes in. No spam, and you can unsubscribe any time.

What should I look for when buying a used hatchback?

Compare mileage, service history, safety features, and total ownership cost — not just the monthly payment. Every car here gets a 150-point inspection and a vehicle history report. Ask for either on any hatchbacks you're considering.

Do you have hatchbacks in stock right now?

Are the online prices the real prices?

Can I finance a purchase at Bergen Car Company?

Can I trade in my current car?

Can I test-drive before I buy?

Tell us what you're looking for

We'll send a quick note when a car that fits comes in. No spam, and you can unsubscribe any time.

HYBRID VEHICLES

Buying hybrid vehicles at Bergen Car Company

Explore fuel-efficient used hybrid vehicles in Lodi, NJ at Bergen Car Company. Hybrid vehicles combine a gasoline engine with electric assistance to improve efficiency while maintaining the convenience of traditional refueling. Available options may include hybrid sedans, SUVs, and family vehicles.

Read more

What should I know about owning a used hybrid vehicle?

Ask about battery health, estimated range, charging or fuel economy, and maintenance history. Our technicians inspect every unit on the lot and can walk you through what to expect for daily driving in North Jersey.
